

## QUESTIONNAIRE FOR ROPEWAY QUERIES:

*For best reply, please complete the following Questionnaire:*

1) **Project Name/Company:**

---

2) **Location:**

Area/State/Country in which the ropeway has to be installed:

---

3) **Person Of Contact:**

(i) Name:

---

(ii) Address:

---

(iii) Phone/Fax/E-mail:

---

4) **Project Description:**

(i) **Intended type/Purpose:**

- Material Ropeway
- Passenger Ropeway
- Public/Urban Transport
- Other

---

(ii) Capacity:

Weight of material to be transported i.e.

- Hook load

---

- Per hr.

---

- Per day

---

(iii) Character of Material:

- Loosely piled

---

- Machinery

---

- Cement/Steel

---

- Other

---

(iv) Access to the site:

- Bottom Station –

ø Car ø Truck ø Other \_\_\_\_\_

- Top Station –

ø Car ø Truck ø Other \_\_\_\_\_

- Towers –

ø Car ø Truck ø Other \_\_\_\_\_

(v) Climatic Conditions:

- Temperatures (Celsius) Min. & Max.

---

- Altitude-

Bottom Station:

---

Top Station:

---

➤ Wind speed

---

➤ Oxygen level

---

➤ Snow level

---

➤ Other info.

---

5) **Terrain:**

➤ Horizontal length

---

➤ Vertical difference

---

➤ Contour Map (scale 1:2000)

---

➤ Longitudinal Profile

---

➤ Line of ropeway: straight or angular

---

➤ State approx. with a rough sketch or photographs whether valley, ridge, roads, railway, electricity lines, rivers, buildings, forest or other on the line of ropeway.

---

➤ Land profile of the ground on which Towers and Stations shall rest. Eg. Rocky , water-logged , sandy, snow bound etc.

---

6) Availability of Power:

ø Bottom Station:

ø Towers:

ø Top Station:

ø All

7) Project Completion / Time Schedule:

---

8) Budget for the ropeway

---

9) Additional Info.

---

---
